

Welcome to Moray Rugby Club

Here at Moray Rugby club, we are committed to giving as many players as we can the chance to play competitive rugby, to develop their team-work skills, fitness, and above all *enjoy* themselves.

Moray has always been known for its exciting running rugby and players, past and present, continue to encourage and promote this approach. The sense of fair play, sportsmanship and friendship is at the heart of all Moray's rugby and we aim to provide a platform for all children who want to play rugby in an environment that is both safe and enjoyable. Moray is an open Community Club and as such all are welcome to come down to Morriston and be a part of the rugby culture both on and off the field of play

Muntly (Moray & Huntly)

Coaching Standards

All our coaches undertake the annual IRB Rugby Ready Course.

Many have also qualified to UKCC Level 1 and Level 2.

They are also vetted through Protection of Vulnerable Groups (PVG) scheme to work with young people.

First aid training can be provided.

If you are an ex-player or enthusiastic parent and want to help out, either through coaching or being a referee please let us know.

SRU Development Officer Chris Lee

MORAY R.F.C

Moray RFC is a club that has been going from strength to strength in recent years. As such, we are always delighted to welcome new faces and aim to develop each player's potential through the support and instruction given by our coaching staff. We place a high priority on teamwork and aim to create an environment in which attractive rugby is combined with a real enjoyment of the sport, no matter what age. Whether you have ambitions to play serious rugby or just looking to be a social player, you will be made more than welcome at Moray.
